Shri. **Narendra Damodardas Modi.**

Honorable Prime Minister, Govt. of India.

**Ajalaa : Strategising urban social infrastructure specific to women, children & senior citizens**

Sir,

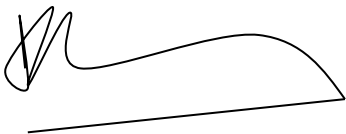

Please recall the meeting with you in Gandhinagar where one of us had met you regarding **Ajalaa** proposal *[note attached]* for a **countrywide network of complexes & modules in all state capitals, major cities** branching into rural centers. The **proposed Nirbhaya centers correspond to the crisis intervention components in Ajalaa**, and these need to be part of Ajalaa complexes with **multifarious services**, considered **highly visible safe zones** maintained to **international professional standards** to reduce rage and rape crimes in our country.

A basis of research & advocacy by **JWP, SAFP and its partners in Delhi, Bhopal, Dhar, Shivpuri, Eda Kochi, Dumra and Bilaspur** where inclusive zones for sustainable development were envisaged **at a district level**. *[Note attached]*.

Besides the construction involved, the **concept** should be ideally **integrated** into the **master plan of the proposed SMART cities**. Considering the scale and implications of this project, we request that a **national nodal agency** is constituted for Ajalaa **under your leadership**, with representation from both the **government, the corporate sector and core members of our team impaneled as consultants in the agency**.

We request time to present the Ajalaa concept and its application in a sustainable development district plan to you.

Respectfully,

Dr. Shivani Bhardwaj, Dr. Jyostna Chatterjee, Dr. Vinay Bhardwaj, Anila Imanuel and Narendra Kumar
